

Interested in the Construction Field?

If so, sign up for the
Construction Pre-apprenticeship Classes
at Cosumnes River College.
Spring Classes start Tuesday, January 22nd, 2019.

Required Courses include the following:

CONST 102 Intro to Construction Practices (MC3)
CONST 105 Rough Carpentry I
CONST 107 Rough Carpentry III

CONST 103 OSHA 10 hour Certification
CONST 106 Rough Carpentry II

Courses are scheduled so you could come as few as 2 days per week, or as many as 4 days per week- with the same courses offered on Monday & Wednesdays, and others offered on Tuesday & Thursdays!
Students coming 4 days per week can finish in as little as one semester!

Job Placement Assistance will be given to those successfully completing the program with a grade of "B" or better! Paid Internships during the class are possible for those who qualify!

**If you are interested in this exciting program
Call Ryan Connally at (916) 709-7769 for more information.**

Financial Aid is available for those that Qualify!

**Enrollment Assistance and tours are held every other Thursday at 2:00 p.m.
Starting July 13th, July 27th and August 10th!**
